

## Program Descriptions

### **Civil Defense Agency:**

#### **Domestic Equipment Grant Revenue**

The State of Hawai'i, Department of Defense has approved a grant to the Maui County Civil Defense Agency to fund the purchase of equipment related to Weapons of Mass Destruction. The equipment requirements were identified by a multi-disciplinary planning committee that consisted of Civil Defense, Fire, HAZMAT, Police, Maui District Health Office and Emergency Medical Services.

### **Department of Finance:**

#### **Commercial Driver's License Grant Revenue**

The Commercial Drivers License (CDL) is supplemented with five State funded positions to provide assistance to CDL applicants and administer required proficiency tests for the operation of commercial motor vehicles (large trucks and buses) in accordance with national standards established by the Federal Motor Carrier Safety Administration.

#### **Motor Vehicle Registration Grant Revenue**

The Motor Vehicle Registration office is supplemented with four positions funded by the State Department of Transportation to provide State mandated services and to assist in the collection of State funds.

#### **Periodic Motor Vehicle Inspection Grant Revenue**

The Periodic Motor Vehicle Inspection program provides supervision and oversight of the periodic motor vehicle inspection stations.

### **Department of Fire Control:**

#### **Chevron Training Grant Revenue**

Grant revenue funds from Chevron U.S.A. are used for fuel fire training.

#### **Local Emergency Planning Committee Grant Revenue**

A Local Emergency Planning Committee has been established to obtain chemical inventory reports from private industry and government agencies that store, use or manufacture hazardous or extremely hazardous substances. The LEPC also maintains and reviews the local hazardous materials emergency response plan and serves as a forum for government and private industry to address matters regarding the use, storage, manufacture and transportation of hazardous substances.

#### **National Fire Academy Grant Revenue**

Grant revenue funds are utilized for airfare expenses to send fire personnel to the National Fire Academy for training.

#### **Private Donations**

Throughout the year, the Department often receives private contributions from the general public for the special services provided by the fire fighters at an incident. Donations are sometimes received as equipment for fire personnel at a particular station.

## Program Descriptions

### **Department of Fire Control (Continued):**

#### **State D.O.T. Highways Safety Grant Revenue**

The State of Hawai'i Department of Transportation, State Highways Grant for "Emergency Medical Services" was awarded to the Maui Department of Fire Control for use to purchase emergency medical equipment or supplies that are used when the fire department responds to vehicle accidents.

#### **State DLNR Volunteer Rural Community Grant Revenue**

The State of Hawai'i Department of Land and Natural Resources receives a Federal grant which is to be distributed to local government to assist in purchasing equipment that will assist the Department of Forestry in combating wild land fires. This matching grant is normally awarded on a rotational basis among the four Counties. Last year the amount was increased substantially so the State Fire Council will determine if the rotational system will continue or all four counties will share in the distribution.

#### **Wellness/Fitness Grant**

The Wellness/Fitness Grant is to purchase exercise equipment to keep the firefighters in good physical condition for fighting fires. The grant includes stationary bicycles and treadmills for each fire station.

### **Department of Housing and Human Concerns:**

#### **HOME Investment Partnership Program**

The HOME Investment Partnerships Program (HOME Program) is a program that is funded by the U.S. Department of Housing and Urban Development. The purpose of the program is to encourage state and local governments to collaborate with private organizations to undertake activities and adopt policies aimed at expanding the supply of affordable housing and increasing the number of families who can be served with affordable housing.

#### **Komohana Hale Apartments**

Komohana Hale Apartments is a 20 unit (one bedroom) rental project in Lahaina, Maui that was developed by the County with monies contributed by two hotel developers to increase the inventory of affordable housing units in West Maui.

#### **Retired and Senior Volunteer**

The Retired Senior Volunteer Program (RSVP) provides senior citizens 55 and above with high quality volunteer experiences, with a priority placed on volunteer projects and placements which address community problems and needs in Maui County.

#### **Section 8 Housing**

The Section 8 Housing Assistance Payments Program is a rental assistance program that is funded by the U.S. Department of Housing and Urban Development (HUD). Under an Annual Contributions Contract with HUD, the County of Maui is authorized to issue vouchers to approximately 1,464 very low income families in Maui County to assist them with their rent payment. Of this total, 545 vouchers are specifically targeted for families that meet the qualification requirements for the Welfare-to-Work Program.

## Program Descriptions

### **Department of Housing and Human Concerns (Continued):**

#### **Title III Programs**

The grant revenues for Title III Programs of the Federal Older Americans Act (OAA), provides administrative and program funds to be expended for the well being of Older Americans (age 60 years and older) through the Maui County Office on Aging. In recent years, the OAA has required that the services be targeted to frail older adults who are homebound, low income, minority persons. The 2000 amendments to the OAA established a new program, the National Family Caregiver Support Program, designed to assist the increasing number of family members who are caring for older loved ones who are ill or who have disabilities.

#### **Title III B Assisted Transportation**

The Assisted Transportation Program provides one-on-one assistance to Older Americans (age 60 and older) whose physical, mental or other disabilities and language barriers restrict their use of buses, taxis and who lack access to alternative transportation, including personal and family resources. Due to their limitations, they require help with negotiating stairways, ramps as well as needing close supervision, advocacy and individualized attention.

#### **Title III B Leisure Program**

The Leisure Program plans, develops and implements a variety of classes and activities to educate, enrich and enhance the quality of life for Older Americans (age 60 and older).

#### **Title III C-1 Congregate Meals**

The Congregate Meal Program provides Older Americans (age 60 and older) with a nutritionally balanced meal in a culturally appropriate atmosphere which encourages rewarding, enriching experiences and socialization. Health and "wellness" education and related activities are regularly promoted at the sites. There are 16 congregate meal sites located throughout the County of Maui.

#### **Title III C-2 Home Delivered Meals**

The Meals on Wheels Program provides hot, nutritious, noon meals to frail and homebound elderly (age 60 and older). These meals assist Older Americans to retain their dignity by remaining independent in their own homes. It helps to delay institutionalization to those who are unable to shop or prepare their own meals due to debilitating health. Meals on Wheels also provides a daily check on the well being of its clientele and is an important source of social contact that reduces the isolation that comes with living alone.

#### **Title III D Nutrition Counseling and Education**

Funds are provided to deliver counseling and education to Older Americans (age 60 and older), to help improve the quality of their meals and nutritional intake.

#### **Title III E National Family Caregiver Support Program**

Funds are provided for public education, information and assistance, case management, counseling and group counseling, skill-building and training and respite services to family members caring for older members of their family who are ill and/or living with disabilities.

## Program Descriptions

### **Department of Housing and Human Concerns (Continued):**

#### **Volunteer Center**

The Volunteer Center promotes and supports volunteerism as a means to address community problems. The Center initiates and/or supports a variety of community based volunteer groups and activities involved in a wide range of community issues ranging from the prevention of drunk driving, Project Graduation, the Youth Patrol at Keopuolani Park, Special Fair Day, etc. Grant revenues are generally in the form of donations from businesses and organizations to be used for specific Volunteer Center projects such as the annual Volunteer Recognition event, at which time Maui County residents are recognized for volunteer service to the community.

#### **Youth Services CCDBG Early Childhood Grant Revenue**

The "Ready, Set, Go" project provides outreach information and education to parents and informal child care providers on wide range of health, safety, child development and other topics which will enable the child to successfully transition to and succeed in school. Families receiving subsidies via the State Department of Human Services Child Care Connection Hawai'i Program, the First-to-Work Program and their informal childcare providers will be the targeted population.

### **Office of the Mayor:**

#### **County Product Enrichment Program**

\$600,000 grant from the Hawaii Tourism Authority (HTA) to fund community based tourism product activities throughout Maui County. The overall objectives are: 1) To develop new and enhance existing tourism events, experiences and programs; 2) To support the development of niche market areas of agri-tourism, cultural tourism, edu-tourism, health and wellness tourism, eco-tourism and techno tourism; 3) To support programs that preserve, perpetuate and /or promote Hawaii's host culture; 4) To provide year-round calendar of events, activities and experiences, with special attention to "shoulder" periods and to provide equitable distribution of events, activities and experiences throughout Maui County; 5) To provide information for visitors through marketing and promotional efforts and provide a diverse range of "value-added" experiences; 6) To support community-based tourism initiatives and to foster public-private sector partnerships; 7) To support HTA's goal of increasing visitor expenditures and length of stay, assist in the diversification of Hawaii's economy and to provide entrepreneurial opportunities for residents.

#### **Community Development Block Grant (CDBG) Grant Revenue**

The Community Development Block Grant (CDBG) program consists of Federal funds provided by the Department of Housing and Urban Development (HUD) for community development projects, which primarily benefit low and very low income persons. Resources are focused on special needs housing , public facilities and improvements and public services.

#### **Moloka'i Youth Opportunity Grant**

The County, on behalf of Moloka'i Enterprise Community, has been awarded a discretionary Youth Opportunity grant by the Department of Labor (DOL). This is a \$2.1 million grant for FY02 (the first year) with a potential of continued funding for five years. The purpose of this grant is to foster community, government and business partnerships to provide increased and improved learning opportunities for the youth of Moloka'i.

## Program Descriptions

### **Office of the Mayor (Continued):**

#### **Workforce Investment Act Grant Revenue**

The Federal Workforce Investment Act (WIA) of 1998 replaced the Job Training Partnership Act (JTPA) that had been in place for 16 years. WIA is a system of job training and career development that is customer driven, private sector oriented and outcomes focused. Its goal is to empower unemployed, underemployed and displaced adults and new job entrants (youth) by providing them with appropriate resources and training to increase their skill level to meet the needs of the local business community. The funding level for Maui County is \$2.4 million dollars for FY02 to administer and implement several distinct categories of programs: Summer Youth Programs; Year Round Youth Programs; Adult Programs; and Dislocated Worker Programs.

### **Department of Parks and Recreation:**

#### **Community Resource and PALS Food Service Grant Revenue**

The PALS program participates in the Department of Education's Summer Food Service Program. This program is available to areas that have at least 51% of the school-aged children receiving reduced-cost or free school lunch. The County is reimbursed for the meals as well as for the administrative expenses.

#### **Guide to Youth Activities Countywide Grant Revenue**

Funding for the semi-annual planning, design, printing and distribution of a Countywide informational brochure for recreational resources and services for youth.

#### **Leisure Activities Project Grant Revenue: Fee for Service Start Up and Scholarship Fund**

This program provides start up needs including equipment, supplies, materials and other program needs related to start up of new recreation programs. Revenue will also provide Fee for Service scholarships for youth and families with low to moderate income.

#### **Playground Improvements Program Grant Revenue**

Provides for replacement parts and surfacing materials necessary to meet minimum safety requirements to prevent injury on all 40 County Park playgrounds.

### **Department of Planning:**

#### **Coastal Zone Management Program**

The Coastal Zone Management program is responsible for administering the Hawai'i Coastal Zone Management subgrant agreement between the State of Hawai'i and the County of Maui and for implementing the objectives, policies and guidelines in Chapter 205A, Hawai'i Revised Statutes and Public Law 92-583, to guide and regulate public and private uses in the coastal zone management area of the County. The law mandates the County to establish Special Management Areas along the shoreline in which special controls on developments are necessary to avoid permanent losses of valuable resources and to ensure that adequate access to beaches, recreation areas and natural reserves is provided. The program is required to coordinate, facilitate and where possible, streamline the development review process; provide project monitoring to ensure compliance with Special Management Area permit conditions; and prepare and submit quarterly status and performance reports for work performed and coordination provided in conjunction with Coastal Zone Management.

## Program Descriptions

### **Department of Police:**

#### **911 Emergency Medical Services Grant Revenue**

The State Department of Health provides funding for five full-time police radio dispatcher positions to provide a centralized 911 emergency receiving and dispatch communications center for requests requiring emergency medical ambulance service.

#### **Alcohol Sales to Minor**

The State Department of Health, Alcohol and Drug Abuse Division provides funding for the enforcement of the State Law prohibiting alcohol sales to minors. This allows the Department to schedule and supervise monthly shoulder tap enforcement of five (5) hours for three (3) months during the graduation time.

#### **Analytical Equipment and Management System Upload**

The U.S. Department of Justice /OJP provides funding on improving the efficiency and productivity of State and local crime lab operations. These improvements will be accomplished through streamlining, automation or semi-automation, reducing redundancy and re-analysis, and reduction in time, labor, and costs needed for public crime laboratories to more effectively aid the investigative and legal processes.

#### **Augmented Seat Belt Enforcement Grant Revenue**

The State Department of Transportation provides funding to reduce injuries and/or fatalities to front seat occupants of motor vehicles by augmented enforcement of the mandatory seat belt and child restraint law.

#### **Child Passenger Safety Protection Education Grant Revenue**

The State Department of Transportation provides funding to conduct Child Passenger Safety training and also purchase supplies for car seat checkup and fitting stations which will reduce fatalities and injuries to children in motor vehicles.

#### **Clandestine Laboratory Response Team Grant Revenue**

The State Attorney General allocated funding from the Edward Byrne Memorial State and Local Law Enforcement Assistance Formula Grant Program for the Police Department's Clandestine Laboratory Response Team Project. This allows the Department to conduct comprehensive, coordinated law enforcement activities aimed at the detection, seizure and neutralization of clandestine drug manufacturing laboratories in the safest possible manner, with minimum exposure to law enforcement personnel and the public from hazardous, toxic chemicals.

#### **COPS Grant Revenue**

The Community Oriented Policing Services (COPS) program was developed by the U.S. Department of Justice to facilitate the hiring of new police officers devoted to community policing. It provides grant funding of up to 75% of total salary and benefits for each police officer over a period of three years, up to a maximum of \$75,000 per officer. The remainder is paid by the County.

#### **COPS Technology Grant Revenue**

The U.S. Department of Justice, Office of Community Oriented Policing Services grant is used to assist the Department in the development of technologies and automated systems for investigating, responding to and preventing crime.

## Program Descriptions

### **Department of Police (Continued):**

#### **DARE Grant Revenue**

The State Department of Education provides funding in support of the Drug Awareness Resistance Education (DARE) program. The program is provided to all public and participating schools, stressing awareness of drugs and their consequences.

#### **Data Records Grant Revenue**

The State Department of Transportation provides funding to develop and maintain data on a timely basis and increase the accuracy of motor vehicle crash reports by acquiring personal computers and peripherals and training to perform such tasks.

#### **Domestic Cannabis Eradication/Suppression Grant Revenue**

The Drug Enforcement Agency (DEA) of the U.S. Department of Justice provides funding for the eradication and suppression of marijuana cultivation.

#### **Domestic Violence Victimless Prosecution Grant Revenue**

The State Attorney General allocated funding from the Violent Crime Control and Law Enforcement Act of 1994 through the Office of Justice Programs to improve the Department's response to domestic violence investigations, whereby "victimless prosecution" can occur more frequently, thereby relieving the stress of the victim and to ensure the service of protection orders and other family court documents on a priority basis.

#### **Electronic Exploitation of Children Grant Revenue**

The U.S. Department of Justice allocated funding to enable the Police Department to pursue a campaign of education and enforcement in application of the new legislation titled "Electronic Enticement of a Child in the First and Second Degree.

#### **Gang Resistance Education and Training Grant Revenue**

The Federal Bureau of Alcohol, Tobacco and Firearms (ATF), of the Department of Treasury, allocated funding for the Police Department for the operation of the gang prevention program known as the Gang Resistance Education and Training (GREAT) for the County of Maui.

#### **High Intensity Drug Trafficking Area**

As a key initiative of this grant, the Hawaii Interagency Mobile Police Apprehension Crime Task Force (HI IMPACT) is set up to dismantle, disrupt, arrest and prosecute drug trafficking organizations, drugs, gangs and organized crime groups involved in drug distribution, drug manufacturing, money laundering and other drug-related crimes. Priorities shall include crystal methamphetamine, cocaine, heroin, marijuana and ecstasy. Each county will organize its own IMPACT team, in cooperation and consultation with the three other counties. They will work develop cooperating witnesses and informants.

#### **Juvenile Accountability Incentive Block Grant Revenue**

The State Department of Human Services, Office of Youth Services, allocated funding pursuant to the Federal Juvenile Accountability Block Grant Program to promote greater accountability in the juvenile justice system to reduce the recidivism rate of juvenile offenders.

## Program Descriptions

### **Department of Police (Continued):**

#### **Juvenile Justice Information System Grant Revenue**

The State Department of the Attorney General, Crime Prevention and Justice Assistance Division provides funding for participation in the Statewide Juvenile Justice Information System project. The developing, maintaining and enhancing of this system enables the use of accurate, complete and timely juvenile criminal history records for law enforcement purposes.

#### **Local Law Enforcement Block Grant Revenue**

The U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance grant provides funding to local governments to underwrite projects to reduce crime and improve public safety. This grant may be used for a variety of law enforcement purposes including salaries, technology and expenses related to special programs in crime prevention. This grant is shared with the Office of the Prosecuting Attorney.

#### **Maui Safe Community Grant Revenue**

The State Department of Transportation provides funding to reduce motor vehicle related crash injuries and/or fatalities in the areas of speed, occupant protection and pedestrian and bicycle safety by conducting safe community activities such as speed demonstrations, child safety seat inspections, pedestrian and bicycle safety workshops and development of additional safe community groups on Maui.

#### **Maui Safe Community Program Pedestrian and Bicycle Safety**

The State Department of Transportation provides funding to reduce injuries to pedestrian and bicycle riders by conducting pedestrian and bicycle safety presentations at elementary schools throughout Maui County using an experienced safety educator.

#### **Maui Safe Community Program - Speed Control**

The State Department of Transportation provides funding to reduce speeding in neighborhood roadways. This allows the Department to conduct speed monitoring and data collection using the Stealth System and Speed Display units and conduct on-going educational and media campaign awareness in various residential, school and construction/work zones.

#### **Monitoring/Youth Gang Response System Grant Revenue**

The State Department of Human Services, Office of Youth Services allocated funding for the Police Department to assist the State in the coordination of the critical elements of the Youth Gang Response System (YGRS) to systematically address the issues of youth gangs in Hawai'i.

#### **NIBRIS (National Incident Based Report Program)**

Grant from the U.S. Bureau of Justice Statistics for \$400,000. Funds will be used towards the implementation of a new Records Management System (RMS) as well as the conversion to full NIBRS reporting. This is a matching grant.

#### **Occupant Protection Grant Revenue**

The State Department of Transportation provides funding to help reduce fatalities and injuries to all occupants of motor vehicle collisions by raising seatbelt and child restraint usage through education.

## Program Descriptions

### **Department of Police (Continued):**

#### **Public Housing Drug Elimination Program**

HUD has awarded this grant to public housing authorities with a goal to reduce or eliminate drugs and drug-related crime in and around public housing developments. The granting period is from August 17, 2001 to September 30, 2003. An extension to March 31, 2004 has been requested. The targeted sites for Maui are Kahekili Terrace(82 units) and Makani Kai Hale (25 units). Funds will be used for reimbursement for: Law Enforcement; Voluntary Tenant Patrol (equipment, training, uniforms); Physical Improvements to enhance security (lighting, fencing, speed humps); Drug Prevention; Drug Intervention.

#### **Roadblock Enforcement/Youth Deterrence Grant Revenue**

The State Department of Transportation provides funding to conduct Driving Under the Influence (DUI) checkpoints which can reduce motor vehicle collision injuries and fatalities caused by alcohol and/or drug impaired drivers and increase stricter enforcement of the liquor laws pertaining to possession, consumption and purchasing by underage individuals.

#### **Safe and Drug-Free Schools and Communities Grant Revenue**

The State Department of Human Services, Office of Youth Services, allocated funding pursuant to the Federal Safe and Drug-Free Schools and Communities for the Police Department to conduct school and community based efforts promoting prevention, early intervention, rehabilitation referral and education.

#### **Seatbelt Innovative Demonstration Program**

The D.O.T./National Highway Traffic Safety Administration provides funding to increase seat belt use and decrease child fatalities.

#### **Special Enforcement Program Grant Revenue**

The Wailea Community Association, a 501-C-4 entity is providing grant funding for supplemental traffic enforcement efforts in the Wailea area which are outside the normal and customary work schedules of the Police Department.

#### **Speed Enforcement Grant Revenue**

The State Department of Transportation provides funding to reduce speeding related motor vehicle collision injuries and/or fatalities through speed enforcement programs, including selective enforcement and working with community groups in speed awareness programs.

#### **State and Federal Assets Forfeiture Proceeds Grant Revenue**

Pursuant to United States Code, Title 21, Section 821 and the Hawai'i Revised Statutes, Chapter 712A, the Police Department is authorized to acquire a share of forfeited funds and/or property seized in accordance with Federal and State Asset Forfeiture Programs. These assets and or proceeds may be used for law enforcement purposes to complement, but not supplant the funding normally appropriated for such purposes.

#### **Statewide Marijuana Eradication Task Force Grant Revenue**

The State Attorney General allocated funding from the Edward Byrne Memorial State and Local Law Enforcement Assistance Formula Grant Program for the Police Department's Statewide Marijuana Task Force Project. The task force's coordinated planning and operations, suppresses marijuana cultivation and minimizes availability through crop destruction.

## Program Descriptions

### **Department of Police (Continued):**

#### **Statewide Narcotics Task Force Grant Revenue**

The State Attorney General allocated funding from the Edward Byrne Memorial State and Local Law Enforcement Assistance Formula Grant Program for the Police Department's Statewide Narcotics Task Force Project which consists of County, State and Federal law enforcement agencies.

#### **Tobacco Sales to Minors Prevention Grant Revenue**

The State Department of Health, Alcohol and Drug Abuse Division allocates funding to enforce the State law prohibiting tobacco sales to minors.

#### **Training Grant Revenue**

State, Federal and private funded programs supplement the Department's budget by providing financial assistance for training purposes.

#### **Traffic Reconstruction Analyst Grant Revenue**

State of Hawaii, Department of Transportation provides funding to improve the efficiency of traffic investigations of fatal or near fatal motor vehicle collisions.

### **Department of the Prosecuting Attorney:**

#### **Asset Forfeiture Grant Revenue**

This program provides the police with legal support in seizing assets used in or obtained as a result of crimes identified in Hawaii's asset forfeiture law. Once assets are seized, forfeiture action initiated with the State Department of the Attorney General. The value of assets in State forfeiture actions returned to the Department is determined by the Department of the Attorney General and divided among participating agencies. Generally, 50% goes to the Attorney General's office, 25% to Police and 25% to Prosecutors. Federal forfeiture action may result in a return to the Department of up to 15% of the value of a seized asset. Proceeds from this program may be used according to Federal and State guidelines to supplement law enforcement efforts.

#### **Career Criminal Grant Revenue**

This State mandated program strives to quickly identify, prosecute and convict those persons who are habitual offenders or career criminals. The more experienced and highly skilled attorneys handle these cases, seeking maximum sentencing and increased bail.

#### **Defendant/Witness, Trial Grant Revenue**

State and Federal programs supplement the Department's budget by reimbursing certain expenses supporting prosecution.

#### **Domestic Violence Investigations Grant Revenue**

This program provides the salary of an investigator assigned to provide follow up services full time to attorneys prosecuting these cases. Examples of follow up services provided are victim voluntary statements, medical releases, photographic evidence and copies of 911 tapes.

#### **Food Stamp Fraud Grant Revenue**

Fully investigated cases of food stamp fraud are referred to the Department for prosecution by the State Department of Human Services. These cases involve food stamp fraud within the boundaries of Maui County. Reimbursement for salaries is then requested from the State for each attorney's time spent in prosecuting cases.

## Program Descriptions

### **Department of the Prosecuting Attorney (Continued):**

#### **Local Law Enforcement Block Grant**

The U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance grant provides funding to local governments to underwrite projects to reduce crime and improve public safety. This grant may be used for a variety of law enforcement purposes including salaries, technology and expenses related to special programs in crime prevention. This grant is shared with the Office of the Prosecuting Attorney.

#### **Special Needs Advocacy Project Grant Revenue**

This program provides additional resources to assist victims of major violent crimes with crisis and support counseling, advocacy, social referral, case information, court testimony preparation and accompaniment. The victims served (residents and visitors) are primarily those impacted by serious felony offenses such as homicide, negligent homicide, sexual assault, child abuse and domestic violence. The program differs from Victim/Witness Assistance in that it is limited to direct services to victims alone and cannot include expenditures for such items as public education (excluding the training of volunteers) and non-victim witness management.

#### **Training Grant Revenue**

State, Federal and private funding sources supplement the Department's budget by providing financial assistance for professional development.

#### **Victim/Witness Assistance Grant Revenue**

This program concentrates resources to assist victims of major violent crimes with crisis and support counseling, advocacy, social referral, case information, court testimony preparation and accompaniment. The victims served (residents and visitors) are primarily those impacted by serious felony offenses such as homicide, negligent homicide, sexual assault, child abuse and domestic violence.

### **Department of Public Works and Environmental Management:**

#### **Control of Nuisance Seaweed on the Beaches of Kihei, Maui County**

\$250,000 grant from the United States Environmental Protection Agency for control of nuisance seaweed on Kihei's beaches authorized under the Clean Water Act . There is no Federal match requirement for this appropriation. Any project involving construction will require compliance with the National Environmental Policy Act, Endangered Species Act, National Historic Preservation Act and various other laws.

#### **Glass Recovery Grant Revenue**

The State Department of Health, Office of Solid Waste Management under Act 201-94 has the responsibility to develop a statewide glass recovery program. An Advance Disposal Fee (ADF of 1.5 cents per container on all glass containers imported into the State. The money collected is distributed to the Counties in proportion to their defacto population, to implement a glass recovery program. The funds will help to continue programs that will divert glass from the landfill and create new end uses for pulverized glass.

#### **Solid Waste Grant Revenue**

The State and/or EPA Region IX provides funding for diversion projects which include paint exchange programs, construction job site recycling projects and other recycling related projects.

### Program Descriptions

#### **Department of Public Works and Environmental Management (Continued):**

##### **Tire Disposal Program**

The State Department of Health reimburses the counties for tires collected and transported to and processed by a DOH permitted or out-of-state recycling facility.

##### **Used Oil Recovery Grant Revenue**

Act 300-93 of the State of Hawaii placed a fee on petroleum products imported into the State. This Environmental Response Revolving Fund is used to finance planning and response for oil spill management and to promote do-it-yourself motor oil recycling in the State. Funds to maintain and expand the used oil program are distributed to the Counties by the Department of Health. Payments are made to businesses that are designated used oil collection sites, in the amount of \$1 per gallon.
